

Final Steps!

1. Spell Check your PP
2. Be sure all music and any movies are cited.
3. Proofread
4. Remove unnecessary animation
5. Save as -your names and the drug name ie. Nancy.Laura.LSD
 - Next to Format select PP package to your desktop

6. VERY IMPORTANT OR WE WON'T BE ABLE TO OPEN

- select your PP folder on your desktop**
- Click the command/apple key and the "I" key**
- Click on the triangle next to ownership and permission**
- Change any read only to read and write and select apply to enclose items at bottom**

6. Drag the folder you created to a jumpdrive and give it to Miss Fortman
7. Print out your Noodlebib works cited and turn in to Ms. McGourty
