

8th Decades Podcasts

STEP 1

1. **Write Script and rehearse it!**
2. **Collect/select photos and bring to school on a jumpdrive**
3. **Create/select episode art (you may wish to create a title logo)**

STEP 2

1. **Create a new album in iPhoto (on the computer your group is using to make the podcast)**
2. **Drag all photos from jumpdrives to iPhoto album**

STEP 3

1. **Open GarageBand, create a new Podcast**
2. **Select episode art**
3. **Open image folder in iPhoto and insert images in Podcast track**
4. **Record in any voice track**
5. **Edit and align voice and images**
6. **Add sounds/jingles/music**
7. **Save**
8. **Under the SHARE menu, select the first option to send to iTunes**

Drag file from iTunes to desktop, copy to a jumpdrive and give to Miss Fortman
